EMPLOYERS CERTIFICATE OF NONRELOCATION

The Employer certifies and assures that it is not its intention to transfer one or more jobs from one commuting area to another by either (1) closing an operation in one commuting area and opening new operation in the Project Area, which is in a new commuting area, or (2) curtailing its operations in another location and increasing the number of jobs of the existing operations located in the Project Area, for a period of forty-eight (48) months from the date of approval of financial assistance.

The Employer understands that financial assistance is not prohibited for the expansion of an Employer through the creation of a new branch, affiliate, or subsidiary which will not result in a decrease in jobs in any area where the Employer conducts business operations, and that retail stores which open new outlets in funded facilities are exempt from this requirement provided: (1) the retail store is not a direct recipient of public financial assistance; (2) the retail store is not engaged in a pattern of operations which would result in relocation a substantial portion of its operations from one multi-state region to another; and (3) the new outlet opening will not result in a significant reduction of employment in the retail store's entire operation.

Note - Section 710(a) of the Public Works and Economic Development Act of 1965, as amended, provides that: "Whoever makes any statement knowing it to be false, or whoever willfully overvalues any security, for the purpose of obtaining for himself or for any applicant any financial assistance under section 101, 201, 202, or 403 or any extension thereof by renewal, deferment, or action, or otherwise, or the acceptance, release, or substitution of security therefore, or for the purpose of influencing in any way the action of the Secretary, or for the purpose of obtaining money, property, or anything of value, under this Act, shall be punished by a fine of not more than \$10,000 or by imprisonment for not more than five years, or both." EDA'S NONRELOCATION REQUIREMENTS PROVIDE THAT: "WHEN EDA DETERMINES THAT THESE REQUIREMENTS HAVE BEEN VIOLATED, EDA WILL TERMINATE FOR CAUSE THE FINANCIAL ASSISTANCE MADE AVAILABLE BY EDA. THE RECIPIENT WILL BE OBLIGATED TO REPAY TO EDA THE FULL AMOUNT OF THAT FINANCIAL ASSISTANCE, PLUS INTEREST, FROM THE DATE DETERMINED BY EDA UPON WHICH THE VIOLATION OCCURRED, AT THE NEW YORK BANK PRIME RATE AS REPORTED IN THE WALL STREET JOURNAL ON THE DATE OF TERMINATION."

By checking the box below, entering my name below, and submitting this application I certify that the above information and the statements contained herein or attached hereto are true and accurate to the best of my knowledge. I further authorize the NCEDA to verify the submitted information by contacting any individual or organization deemed to have knowledge of the proposed project. I further understand that intentional misrepresentation of facts may be the basis for a denial of funding. I agree to pay an application fee (\$100 ELP OR \$200 Gap).

In addition, I authorize representatives of the North Central Economic Development Association (NCEDA) to review my credit references and view my credit report. I authorize NCEDA to discuss my account with lending institutions and obtain financial and other business related information from those institutions.

NCEDA may use my business name when promoting programs with no obligation to the borrower.

I have read and agree to the statements above.
